RAJENDRASINH DEVDA

Date of birth: 07/06/1982 | **Birth place: GUAJARAT** | **Nationality: INDIAN** |

Gender: MALE

ABOUT ME

I am a skilled and experienced engineering fitter (maintenance) with over 10 years of hands On experience working in reputed companies such as Arvind mills ltd, Wels pun India ltd. And Texel industries ltd. I have strong knowledge of machine maintenance, repair work and Handling industrial tools and equipment. I am physically fit, hardworking and capable of Working in fast-paced environments. Along with my technical background I am also open to Warehouse, factory and construction roles, where I can contribute through my skills in Material handling, teamwork, and following safety procedures, I am a quick learner, reliable Worker, and always ready to take on new challenges and responsibilities.

WORK EXPERIENCE

ARVIND MILLS LTD. KHATRAJ, KALOL (N.G) 25/02/2006 TO 20/09/2008 ENGINEERING FITTER (MAINTENANCE)

- Performed preventive and breakdown maintenance of textile machinery and equipment.
- Installed, assembled, and repaired mechanical components and production machines
- Used hand tools, power tools, and measuring instruments for accurate fitting work
- Identified faults and troubleshot mechanical issues to minimize downtime
- Carried out routine inspection and lubrication of machines to ensure smooth operation
- Replaced worn-out parts and ensured proper alignment and fitting of components
- Assisted in machine overhauling and maintenance shutdown activities
- Followed safety procedures and company maintenance standards at all times
- Maintained records of maintenance work and reported issues to supervisors
- Worked closely with production teams to ensure continuous workflow and efficiency
- Handled material movement and supported general shop floor activities

WELSPUN INDIA LTD.ANJAR-KUTCH (N.G) 25/102008 TO 15/01/2010 ENGINEERING FITTER (MAINTENANCE)

- Carried out preventive and corrective maintenance of industrial and textile machinery.
- Diagnosed mechanical faults and performed timely repairs to reduce machine downtime
- Installed and aligned machine parts, bearings, shafts, and gear systems
- Read and followed technical drawings and maintenance manuals for accurate work
- Handled dismantling and reassembly of machines during maintenance and breakdowns
- Ensured proper lubrication, calibration, and smooth functioning of equipment
- Worked with a team to complete shutdown and overhauling activities efficiently
- Maintained safety standards and used PPE while working on machinery
- Monitored machine performance and reported recurring issues to supervisors
- Maintained tools and equipment in good working condition

ARVIND MILLS LTD. KHATRAJ, KALOL (N.G) 20/04/2010 TO 09/09/2017 ENGINEERING FITTER (MAINTENANCE)

- Handled advanced maintenance of textile and industrial machinery with high efficiency
- Led breakdown maintenance activities to quickly restore machine operations
- Performed precision fitting, alignment, and balancing of rotating equipment
- Conducted root cause analysis to prevent recurring mechanical failures
- Assisted in installation and commissioning of new machines and equipment
- Coordinated with production and engineering teams to improve machine performance
- Executed planned preventive maintenance schedules to reduce downtime
- Repaired and replaced critical machine components such as bearings, belts, and shafts
- Ensured proper calibration and smooth functioning of mechanical systems
- Maintained detailed maintenance logs and reported technical issues
- Followed strict safety protocols and workplace standards
- Trained and guided junior workers and helpers on maintenance tasks
- Supported continuous improvement initiatives to increase productivity

TEXEL INDUSTRIES LTD, SANTEJ (N.G) 10/09/2017 TO 01/04/2022 ENGINEERING FITTER (MAINTENANCE)

- Performed preventive and breakdown maintenance of plastic and industrial machinery.
- Diagnosed mechanical faults and ensured quick troubleshooting to minimize downtime
- Maintained proper documentation of maintenance tasks and daily reports
- Followed all safety procedures and ensured safe working conditions on the shop floor
- Coordinated with production team to maintain continuous workflow and efficiency
- Ensured proper usage and maintenance of tools and equipment
- Supported improvement activities to enhance productivity and reduce machine breakdowns

RATNAMANI METALS & TUBES LTD. 05/03/2026 TO PRESENT FITTER- MICHANICAL MAINTENANCE

- Perform routine preventive and breakdown maintenance of mechanical equipment and machinery
- Inspect, diagnose, and repair faults in industrial machines, pumps, motors, and pipelines
- Carry out alignment, fitting, and assembly of mechanical components
- Maintain and service hydraulic and pneumatic systems
- Use hand tools, power tools, and precision instruments for maintenance work
- Ensure minimum downtime by quick troubleshooting and effective repair solutions
- Follow safety procedures and company maintenance standards at all times
- Assist in installation and commissioning of new machines and equipment
- Maintain maintenance records and report issues to supervisors
- Work closely with production team to ensure smooth plant operations

SKILLS

Preventive & breakdown maintenance, Machine installation & assembly, Fitting, alignment & calibration, Fault diagnosis & troubleshooting, Repair & replacement of machine parts, Use of hand, power & measuring Tools, Machine overhauling & servicing, Basic hydraulic & pneumatic systems, Lubrication & routine Inspection, Safety compliance & PPE usage, Maintenance reporting & documentation, Teamwork & coordination Time management & multitasking, physically fit & hardworking, Workplace cleanliness & 5S practices, Ability to follow technical instructions, Reliable, disciplined & safety-focused

EDUCATION AND TRAINING

10th – G.S.E.B – 57.29 %- IN 2001

I.T.I – G.C.V.T- 75.45 %- IN 2005

I.T.I.- APPRENTICE-N.C.V.T.- IN 2005

LANGUAGE SKILLS

Mother tongue(s): **GUJARATI**

Other language(s): **HINDI**

Other language(s): **ENGLISH**

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken production	Spoken interaction	
GUJARATI	C1	C1	C1		C1
HINDI	C1	C1	C1		C1
